Committee on Appropriations  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Computer Aided Dispatch Replacement project in fiscal year 2026. The entity to receive funding for this project is the Baltimore Police Department, located at 601 East Fayette Street, Baltimore, Maryland, 21202. The \$3,700,000 in funding would be used for the replacement of the City's aging Computer-Aided Dispatch System that is nearly twenty years old. The project is an appropriate use of taxpayer funds because Baltimore is in need of a replacement for their Computer-Aided Dispatch System, which is used by fire, police, and other city agencies to prioritize and record calls as an emergency or non-emergency incident.

The project has a Federal nexus because the funding provided is for purposes authorized by 34 U.S.C. § 10381(b)(8).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kweisi Mfume  
Member of Congress
