Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Lansdowne-Baltimore Highlands Community Center in fiscal year 2024. The entity to receive funding for this project is AHC Inc., located at 1 Silerton Road, Baltimore, MD 21227. The funding would be used for the construction of a 3,000-square foot community center to serve 168 lower-income households at Lansdowne Gardens and neighboring communities. This project is an appropriate use of taxpayer funds because the services provided at the community center aim to improve the social, educational, and economic well-being of high-need households in order to improve overall family outcomes and decrease reliance on government services.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1) and 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this request.

Sincerely,

Kweisi Mfume
Member of Congress
