Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the PSO (Perkins Somerset Oldtown) South Central Park project in fiscal year 2027. The entity to receive funding for this project is the Housing Authority of Baltimore City, located at 417 East Fayette Street, Suite 923, Baltimore, Maryland, 21202. The funding would be used for the construction of a public park. The project is an appropriate use of taxpayer funds because it will provide valuable green space amidst a densely populated area and offer a place for recreation, relaxation, and exercise. The park will serve as a gathering place for residents, fostering a sense of community and social cohesion while enhancing the quality of life in PSO by improving air and water quality, providing habitat for wildlife, and reducing the urban heat island effect.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kweisi Mfume  
Member of Congress
