Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Reisterstown Plaza Metro Station Joint Development Accessibility Improvements project in fiscal year 2027. The entity to receive funding for this project is the Maryland Department of Transportation, located at 7201 Corporate Center Drive, Hanover, Maryland, 21076. The funding would be used for Americans with Disabilities Act and multimodal access improvements at Reisterstown Plaza Metro Station. The project is an appropriate use of taxpayer funds because it will enhance pedestrian safety, improve transit accessibility, and enable redevelopment of 25.6 acres of underutilized state-owned land into a 789-unit mixed-income transit-oriented community.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kweisi Mfume  
Member of Congress
