The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Turner Station Resiliency project in fiscal year 2026. The entity to receive funding for this project is Baltimore County, Maryland, located at 400 Washington Avenue, Towson, Maryland, 21204. The \$4,000,000 will fund part of the construction phase of mitigation pumping, drainage and plantings in the community. The project is an appropriate use of taxpayer funds because it will decrease flooding, increase quality of life, reduce property damage, protect transportation and other safety systems, uplift economic activity, create jobs, and other measurable outcomes.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kweisi Mfume
Member of Congress
