Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Public Safety Improvement Initiative project in Fiscal Year 2027. The entity to receive funding for this project is Loyola University Maryland, Inc., located at 4501 North Charles Street, Baltimore, Maryland, 21210. The funding would be used for improving campus and community safety along the York Road corridor by replacing the University's CJIS terminal & surveillance camera servers, upgrading the University's dispatch consoles, and equipping campus police with body worn and dash cameras. The project is an appropriate use of taxpayer funds because it will improve public safety around the York Road perimeter of the Loyola University Maryland campus.

The project has a federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kweisi Mfume
