The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

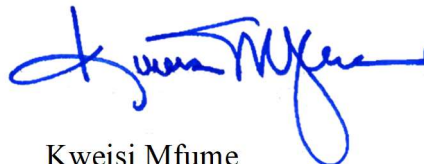

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Waxter Senior Center Redevelopment & Temporary Relocation project in fiscal year 2027. The entity to receive funding for this project is the City of Baltimore, located at 100 Holliday Street, Baltimore, Maryland, 21202. The funding would be used for the design of a new senior center to replace a center that has reached the end of its useful life, relocation of programming to a temporary space, transportation for seniors to and from the temporary location, and securing the existing building while the new center is designed. The project is an appropriate use of taxpayer funds because the Center is a cornerstone of downtown Baltimore, and it addresses an urgent community need because existing conditions in the center pose a serious and immediate threat to the health and welfare of the community.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kweisi Mfume  
Member of Congress
