Dear Chair and Ranking Member:

Pursuant to the processes outlined by the U.S. House Committee on Appropriations and the U.S. House of Representatives, I am requesting funding for the “Southern Streams Health and Wellness Center” in fiscal year 2022. The entity to receive funding for this project is the Mary Harvin Transformation Center Community Development Corporation located at 1701 N. Chester Street, Baltimore, MD 2121.

The proposed $5,000,000 would be used “to provide health and wellness through employment, early childhood education, physical and nutritional parity and mental healthcare to an underserved community in east Baltimore. This project serves as one of the anchor projects of the East Baltimore Revitalization Plan adopted by the City of Baltimore Planning Department in September of 2018.”

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Kweisi Mfume  
Member of Congress
